REGULAR SOURCES OF DATA

The background information for the collection of data to be included in the Directory is compiled from the member register of the Finnish Union of University Professors and the previously published Directory of Professors. Contact information is also requested from the universities and collected from the websites of universities and state research institutes as well as from other public sources, such as the Finnish State Calendar. The background information is used solely for the purpose of collecting data for the Directory of Professors. Registered persons are requested to complete and correct their personal information using the data collection form.

REGULAR DISCLOSURES OF DATA

There are no regular disclosures of data to other parties. Register data can be disclosed to co-operative partners to the extent necessary for the implementation of the Directory. Data will only be disclosed as necessary for the implementation of the Directory.

Register data can be used in anonymised format for research purposes.

TRANSFER OF DATA OUTSIDE THE EU OR EEC

Register data is not disclosed to parties outside of the European Union or European economic area.

DATA STORAGE

The personal data in the Directory of Professors will be stored in electronic format for only the time necessary to fulfil its purpose.

DATA PROTECTION PRINCIPLES CONCERNING THE REGISTER

The register is handled with extreme care and any data processed with the help of data systems is properly protected. When the register data is stored on an online server, the physical and digital data security of the necessary hardware is appropriately maintained. The Controller shall ensure

that stored data, access rights to servers and other information critical to the security of personal data are treated confidentially. Personal data will only be processed by those persons whose job description requires them to do so.

RIGHTS OF REGISTERED PERSONS

Registered persons have the right to access any information stored in the Directory of Professors that concerns them and to correct this information themselves or request the rectification or supplementing of incorrect or missing information. The information can be accessed using the data collection form. Registered persons have the right to request the restricted processing or removal of their personal data. If a registered person wishes to exercise their rights, they may contact the office or Data Protection Officer of the Finnish Union of University Professors. It is not possible to rectify information in the printed version of the Directory.

If the Controller has not complied with the applicable data protection regulation in its operations, the data subject has the right to lodge a complaint with the competent supervisory authority (tietosuoja@om.fi).
